ACCESS SERVICES

MTC offers a range of services and facilities to make our shows accessible to everyone. For full details of our 2016 Access Program, see the reverse of this flyer.

Captioning

 During live captioned performances, text is displayed on a screen to the side of the stage, relaying actors' dialogue, nuances, music and sound effects. Where possible, seats near the screen are held for those who require them. If you wish to view the captions please inform staff when you book to ensure appropriate seating is made available.

Hearing Assistance

 Hearing assistance can be provided in the form of a closed system Listen Pack at Southbank Theatre, and an FM Hearing Loop at Southbank Theatre and Arts Centre Melbourne. Please ask staff for assistance.

Auslan Interpreted Performances

 MTC is currently partnering with Arts Centre Melbourne to offer Auslan interpreted performances. Auslan interpretation will be available for Lungs, Disgraced and Double Indemnity.

Audio Description & Tactile Tours

In partnership with Vision Australia, MTC provides audio description and tactile tours for all mainstage productions within the 2016 season. See the reverse of this flyer for more information. Bookings are essential for these services and can be made when booking tickets.

 Audio described performances are narrated by trained audio describers who describe actions, expressions and gestures during gaps between dialogue throughout the performance. A small receiver is available from the audio describer upon arrival.

Tactile tours commence one hour before the designated performance. Guests are given a tour of the stage and invited to touch the sets, costumes and props whilst the Stage Manager, and often cast members, describe them.

Assistance animals are welcome at all venues and water bowls can be provided upon request.

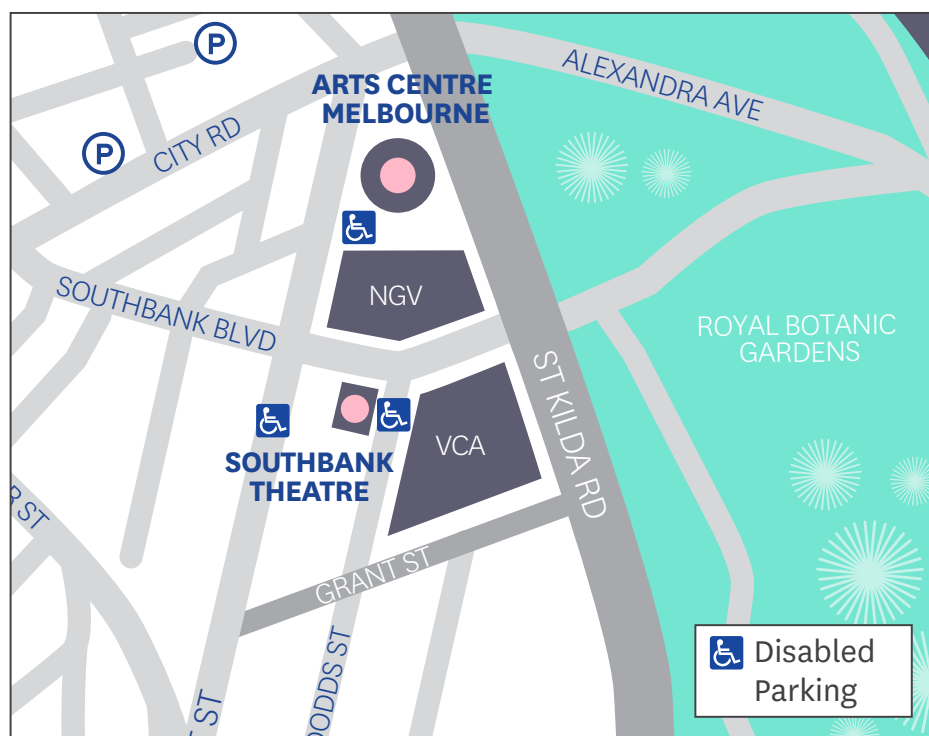

Wheelchair & Mobility Aid Access

MTC productions are staged at Southbank Theatre and Arts Centre Melbourne. Facilities for wheelchair access and seating that allows more room for the use of mobility aids are available in all theatres, for all performances (subject to availability).

 At Southbank Theatre, disabled access is via the front entrance on Southbank Boulevard, and at Arts Centre Melbourne via the front entrance on St Kilda Road or via the carpark.

Southbank Theatre and Arts Centre Melbourne have lifts to all levels. The foyers within Southbank Theatre and Arts Centre Melbourne offer tables and chairs at wheelchair height and Southbank Theatre also has a low bar service area.

Taxis can easily be flagged outside the venues or can be booked through theatre staff upon request.
