MTC Workshops

When preparing for a workshop at MTC, we recommend discussing the following things with your students:

WHAT TO WEAR
As most MTC workshops involve physical activities, please wear loose, comfortable clothing.

WHAT TO BRING
Imagination, an out-there attitude, a notepad, pen, and water bottle.

WHAT TO EAT
Because the lunch period is limited to 45 minutes, MTC highly recommends that students **bring their own lunch** – this will save energy and eating time during a busy day. There is also an IGA nearby where you can purchase takeaway sandwiches and salads. You may also like to bring some snacks (avoiding nut products). You will be able to purchase refreshments from the MTC café, but not meals.

WHAT TO EXPECT
Our workshops involve lots of participation, as well as some discussion and sharing of knowledge with other students. The more you participate in activities, the more you will get out of the workshop!

HOW TO GET HERE
A map with public transport routes is overleaf. Workshops take place at MTC HQ on Sturt Street, not Southbank Theatre.

LET US KNOW
Please let us know of **any access requirements** you may have. MTC is wheelchair accessible. To help our Teaching Artists ensure your students have the best experience, please let us know (by return email) what grade your students are in, and an indication of their prior knowledge on the topic. Please also let us know if particular students need to leave early – this allows us to maximise their experience.

TEACHERS
MTC requires that you supervise your students in the rehearsal room during the workshop.

Still have questions? Call us on **03 8688 0963** or email **schools@mtc.com.au**

MTC MELBOURNE THEATRE COMPANY

Transport Map

The number 1 tram stops right outside the theatre, the first stop after turning the corner from St Kilda Rd onto Southbank Blvd, and continues down Sturt St to MTC HQ. The number 55 tram also stops near MTC HQ at the corner of Sturt St and Kings Way.

ROUTE 1   **ROUTE 55**   **ROUTE 3, 5, 6, 8, 16, 64, 67, 72**
