

CHECKLIST FOR MTC EXCURSIONS

STEP 1

DOWNLOAD our free Education Packs from mtc.com.au/education

STEP 2

CHECK the venue address – you can find more information about transport, dining and access here: mtc.com.au/your-visit

STEP 3

ORGANISE your travel to arrive 30 minutes before the show. We are unable to delay the performance for latecomers.

STEP 4

DISTRIBUTE a ticket to each student at the theatre. They must sit in their assigned seat if allocated seating applies.

STEP 5

TELL YOUR STUDENTS:

ENJOY the performance and take notes after, not during the show because it distracts the actors and other audience members.

BRING a small bag – not your large school bag (there's no room!) – and keep your valuables on you.

DON'T MISS OUT on the show! Eat, drink and use the restroom before the performance, because you may not be re-admitted to the theatre if you leave.

SWITCH OFF your mobile phone and please don't take photos – immerse yourself in the performance!
