An immersive year-long theatre experience  
for a selected group of Victorian Year 11 students

# 2018 MTC Ambassadors Program

'The MTC Ambassadors program has been one of the most rewarding experiences of my life. Through our conversations with some truly talented people from MTC, we've really received an insight into the ins and outs of the theatre world.'

MIA, 2017 MTC AMBASSADOR

## WHAT'S IT ALL ABOUT?

Each year, MTC selects a group of Ambassadors to participate in a year-long program designed to challenge and inspire. Meeting regularly, these Year 11 theatre-lovers are offered the chance to extend their knowledge and experience by attending MTC productions, hearing from guest speakers, and sharing their responses to theatre with a group of like-minded young people.

## WHAT ARE THE BENEFITS OF BEING AN MTC AMBASSADOR?

- Ambassadors receive a free ticket to nine MTC productions in the 2018 season.
- Ambassadors get the opportunity to meet with theatre professionals, and find out about the inner workings of one of Australia's largest theatre companies.
- Ambassadors take a leadership role which has two functions; to act as youth representatives within the Company, and to act as advocates for MTC within their school and social communities.
- The program brings together like-minded young people who can engage in a level of discussion about theatre which may not always be possible in the classroom.

## HOW DOES IT WORK?

- Selected MTC Ambassadors will form a club, facilitated by MTC's Education team, which will meet at MTC Headquarters from April to December.
- Each meeting will commence with a talk from a theatre professional, such as an actor, director, writer, designer or MTC staff member.
- During meetings there will also be a facilitated group discussion about the last production attended, and a light dinner will be served.

- After the meeting, Ambassadors will walk together to Southbank Theatre or Arts Centre Melbourne to see a performance.

## WHO IS ELIGIBLE FOR NOMINATION?

Students in Year 11 in 2018 are eligible for nomination by the Head of Drama or Performing Arts or another relevant teacher. **Only one nomination will be accepted per school.**

### Guidelines for nomination:

- Ambassadors should have a serious interest in theatre and enjoy seeing and discussing plays, not just performing. We encourage nominations for students with an interest in an area of theatre other than acting, such as writing, directing, design and production.
- Ambassadors need to be able to commit to attending all of the meetings listed below. Students who have a full load of extra-curricular commitments are not recommended for nomination.
- Ambassadors should be confident communicators, willing to report back to their school communities and social networks about their experiences at MTC, and to act as advocates for the Company. Nominating teachers should be willing to assist students in finding opportunities to report back to the school community.
- Ambassadors will be asked to write reviews of MTC productions and provide verbal and written feedback to the Education team. Ambassadors who can offer genuine and well thought-out responses will be highly valued.
- We strongly encourage teachers to nominate students who identify as Aboriginal and/or Torres Strait Islander, those from culturally and linguistically diverse backgrounds, and those with disabilities.

## HOW DO I NOMINATE A STUDENT?

- Ask the student to complete the attached form (there is also a section to be completed by the student's parent or guardian), and complete the nominating teacher's section yourself.
- Send it to MTC by **Wednesday 28 February 2018**. Whether successful or not, nominees will be notified by the beginning of the Easter holidays, and the first Ambassador event will be held on 17 April 2018.
